

DEAR FRIENDS AND FAMILY,
As we approach the one-year anniversary of the Lord taking Pastor Mark Correll home, I feel the need to let you know how the ministry has continued to spread the gospel.

March 2026

Newsletter

First of all, I want to thank you all. On behalf of myself and my family, it has been a blessing to receive an outpouring of love, hear your prayers, and see your generous support throughout this challenging year. The Lord provided comfort and peace when we needed it the most. Psalm 147:3 tells us that "He heals the broken-hearted and binds up their wounds." *Amen*

Here are a few highlights from Mark Correll Ministries over the last year.

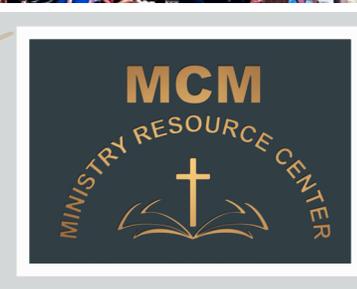

ISRAEL...

- We continue to support the Chabad House in Tiberias (near the Sea of Galilee). The Chabad House provides opportunities for Israeli children to attend camps in Jerusalem to learn the Torah.
- We have provided support to the soup kitchen in Tiberias so those in need could have their urgent physical needs met.
- We have helped establish a Christian School in the heart of Bethlehem where many Arab children attend.
- We also support King of Kings Ministry and their efforts to preach Jesus in Jerusalem.
- The ministry in Israel is near and dear to our hearts given the significant Biblical history and our numerous visits over the years.

In Genesis 12:3, the Bible tells us that "I will bless those that bless you and curse those that curse you." Our aim is to be a blessing for Israel and the people that live in the Holy Land.

OTHER GLOBAL EFFORTS...

- We support other ministries that include Jamaica and several other countries.
- We were excited to support a Christian School recently started in Uganda (led by Pastor Craig Smith).

LOCALLY...

- We opened the Mark Correll Ministries Resource Center in Pell City, AL. There, we hold weekly Bible studies and continue to support the community that is an important part of our lives.
- Throughout the year, we find ways to be involved and support local ministries here in Birmingham. These local ministries provide physical needs like shelter and food as well as spiritual needs like the hope and love we find in the Word of God.

We know that Jesus has the power to save. Our goal is to make that love known through any doors that are opened to us. This was the vision that Pastor Mark had and we will follow through faithfully.

There are a couple of ways you can continue to watch and listen to Pastor Mark's messages and teachings. YouTube is a resource for the recorded teachings from Mark Correll Ministries.

Facebook (Markandsherylcorrell) will have Sunday morning messages @8:00 AM and Wednesday teachings @5:30 PM.

Thank you and please keep us in your prayers as we seek the Lord daily in how He wants us to reach the lost.

God bless you and your family.

In His Service,

Mark Correll Ministries
Sheryl Correll
